Sabari A P

CSE Student | Building Projects in Web Development | Open to Learning New Tech | Passionate About Artificial Intelligence & Full Stack Development

Erode, Tamil Nadu, India

Summary

Passionate about crafting efficient software designs and solving real-world problems through technology. Currently building my skills in full-stack Python development, while staying curious and exploring new tools and frameworks. I thrive on continuous learning and enjoy turning ideas into practical, innovative solutions

Education

KPR Institute of Engineering and Technology

Bachelor of Engineering - BE, Computer Science · (2025 - 2029)
